33) As personally directed, draft G.O. about the appn of Mr Iswaran, and a D.O. to Mr Iswaran are put up for consideration.

34) One point arising in this connection is the date from which Mr. Rao Sahib is to be deemed to retire from service technically. He completes 4 years as T.C. on 10.9.35 & the proposal is to retire him from 11.9.35. But he may have to be allowed some time thereafter for journey to India - in case he leaves soon after. Whether he is to be technically considered as on ~~joining duty~~ service during the transit period & if so whether he is to be allowed to draw pay for the period (in addn to passage charges) & if so at what rate.

The points for orders in brief are the following:-

(1) He wants to be considered as having been on deputation

(2) Sanction for travelling allowances for the journey from Shimoga to Bangalore at four times the usual rates as on transfer and also travelling allowances under ordinary rates for journeys made that might hereafter have made in connection with acquainting himself fully with the purchasing activities of the Stores Purchase Committee and with the departmental Concerns of the Dir of Industries and Commerce.

(3) First class additional passage to be allowed to his daughter, who is aged 15 years, whom he propose to take along with him.

(4) Railway fare that will be allowed to him, his wife and his daughter from Bangalore to Bombay

1a. if, after handing over charge of his office, he takes leave of whatever nature for not more than 4 months before joining his new office. Mr Iswaran, therefore, seems to be entitled for T.A from Shimoga to Bangalore, at the rates given in Art. 536 (b) S.R. and his other Concession asked for is for orders.

Re(3.) Mr Ranganatha Rao Sahib was allowed to take his four minor children along with him. On his proposing to forego the claim for passages charges while on leave during his appointment as Trade Comr, Six First class passages for himself, his wife and children, for both joining and returning journey, was granted to him. The grant of 1st class passage to Mr Iswaran's daughter is for orders.

As regards (4) Mr B.T. Kesava Iyengar was allowed first class fares from Bangalore to Bombay and from Marseilles to London, while Mr Ranganatha Rao Sahib was given 4½ times First class Railway fares from Bangalore to Bombay. The rate of railway fare to be allowed is for orders.

As regards (5) Mr B.T. Kesava Iyengar was granted an advance of Rs 1000/- before his departure to England and £150/- after he reached London. And this advance was ordered to be recovered from Mr Kesava Iyengar's Salary in London in monthly instalments of Rs 250/-. The advance to be paid to Mr Iswaran is for orders.

Financial Concurrence seems necessary on all these points.

Some of the points raised relate to elucidation of details in respect of usual items already agreed to, and some relate to ~~xxxx~~ fresh matters raised for the first time.

A Re: Details re: matters generally agreed to.

(1) Two first class passages for himself and his wife to and from England are agreed to. Mr. Iswaran now wants ~~(A)~~ one full additional first class passage to be given for his unmarried daughter aged 15 years. Mr C. Rangamma Rao Sahib was allowed an amount equivalent to 3 first class (A) passages each way for himself & family, but he was not expected to return to India on leave in the middle of his tour and claim T.A. for those journeys. Mr B.T.K. Iyengar was given 2 first class passages each way for himself & wife, and in his case also there was no promise of passages during leave. Mr Iswaran has been promised two first class passages each way both for initial & final journeys, as also for journeys during leave.

(2) ~~(A)~~ Rate of Railway fare from Bangalore to Bomb

The class of fare will of course be First class on the analogy of previous precede In the case of Mr B.T.K. Iyengar, the numbe of Ry. fares ~~allowed~~ was the same as the number of passages allowed, whil in the case of Mr C. (3) Advance of £ 450

Mr. Iswaran wants this amount as an advance towards meeting his passage & trainage charges, and equipment and other incidental expenses in London. May be SS Rs Yrk

In the case of Mr Keshava Iyengar the Comptr. was asked to pay him the actual amount required for the passage & trainages (not as an advance), and further advances as under were given subject to recompment from Salary in London at Rs 250/- a month :—

(i) advance of Rs 1,000 immediately here
(ii) £ 150 on reaching London.

In the case of Mr. Iswaran also the amount of passage & trainage charges may be given as a final payment, and a further suitable advance subject to adjustment later.

B: Fresh Question now raised:

Mr. Iswaran was given two months' leave, at his own ~~desire~~ initiative, to acquaint himself with matters pertaining to the Trade Comm'r Office. He now requests that

(1) this leave may be converted as deputation (duty) not necessary

(2) T. A. from Shimoga to Bangalore at 4 times usual rates (Transfer rates) May be SS Yrk

(This is not correct as under Art. 5)

& (3) T. A. for journeys made so far and that might hereafter be made by him during the leave in connection with his studies May be SS Yrk

In the case of Mr. B.T. Keshava Iyengar, he was allowed some 10 days joining time, and his stay of some 20 days thereafter in India & the passage period was treated as Special duty. In the case of Mr. C. Ranganatha Rao Sahib, there was no "special duty" at all. He availed himself of 6 weeks' leave and thereafter the whole period of his travelling to London was treated as joining time. In the case of Mr Iswaran also the period of travel from Bangalore to London may perhaps be treated as joining time, and also some preparation time allowed. Whether the whole leave may be treated as on duty, and further he may be treated as having Bangalore as his headquarters during the period (allowing transfer rates of T.A from Shimoga to Bangalore) ~~[illegible]~~ and further whether he may be allowed T.A. for journeys made during this period (perhaps as from Bangalore) at his own discretion — are for Special orders

This may be done. Note made to convey the decision to Mr. Iswaran

I agree with the Chief Secretary with the following slight modifications:-

(1) out of the advance of £ 450/- to be sanctioned to Mr. Sivaram so much as will cover the trainage and passages may be adjusted out of ~~the~~ his first T.A. Bill, the balance being recovered from his salary in monthly instalments of Rs 250/- as in the case of Mr. B.T.Kesava Iyengar;

(2) in consideration of the fact that he is proposed to be given transfer rates of T.A. from Shimoga to Bangalore, no further T.A. need be allowed for his other journeys made during leave to study or acquaint himself with certain details of the duties of the Trade Commissioner, as no such concession was allowed to previous officers selected for Trade Commissioner's place;

(3) the period of leave cannot be converted to one of deputation. According to precedents the period occupied in travel from Bangalore to London may be treated as joining time.

Sir,

I have the honor to invite reference to Government Order No. 2424-7/C.B. 143-34-2, dated 11th May, 1935, sanctioning my appointment as Trade Commissioner for Mysore in London under certain terms and to Government Notification No. 2571/C.B. 187-34-2, dated 30th May, 1935, sanctioning privilege leave for two months from the 6th of June last, and to state that in pursuance of the above orders I was relieved of my charge in Shimoga on the 6th of June last and since then I have been engaged in acquainting myself fully with the purchasing activities of the Stores Purchase Committee and with the departmental concerns of the Director of Industries and Commerce. I have been acquiring information regarding the marketing problems and the sales policy of Sandal wood oil both in India and abroad. I have so far visited the Sugar Factory and the Distillery at Mandya with a view to study the machinery in service there and to ascertain their future requirements. I have visited the Chamarajendra Technical Institute, the Silk Factory and the Sandal Oil Factory at Mysore and gathered all the necessary information with regard to the sale of the products of these concerns in Europe and elsewhere. In view of my close and continued association with the activities of the aforesaid institutions

institutions during the period of my leave and of my further study of the various questions pertaining to them till I sail for Europe early next month to take up my new appointment, I request that I may be considered as having been on deputation and to sanction my travelling expenses 1) for the journey from Shimoga to Bangalore at four times the usual rates as on transfer and 2) for the journeys made so far and that might hereafter be made in connection with the visits to factories or institutions outside Bangalore, under the ordinary rates.

Further that in connection with the passages I have the honor to state that two first class passages have been allowed both to my wife and myself. As my minor un-married daughter who is aged fifteen years has necessarily to accompany me to London I request that as was allowed in the case of the minor children of two of my predecessors, a full first class additional passage may be allowed for her.

I may further be permitted to indicate that in the Government Order referred to above no mention is made with regard to the class and the rate of railway fare that is intended to be allowed both to my wife and myself from Bangalore to Bombay and I therefore request that this point may be made clear and also to include the case of the additional passage asked for.

I have arranged to sail from Bombay on the 10th of August next by the P & O mail boat S.S. "Rawalpindi," and I have made arrangements to pay the deposit towards the three first class passages required by us. The fare from Bangalore to London via Marseilles including the journey across France will approximately amount to £80 per passenger and in order to meet these charges and also to defray my initial expenses towards equipment and other incidental expenses on arrival in London, I request that an advance of £450 may kindly be

be sanctioned.

I request that early orders of Government may kindly be obtained on the several matters referred to above and communicated to me.

I have the honor to be,
Sir,
Your most obedient servant,
